day to other classes will be subject to disciplinary action. At Lucio Middle School, we are promoting "responsibility." Students are being responsible by attending school every day and for being on-time. Students with excessive absences/tardies (more than three) will be in danger of being placed on an attendance contract, parent meeting with the principal and counselor, and/or being referred to truancy court for judicial proceedings. Students with excessive absences may also be in danger of losing credit for all or some classes. If your child must be absent, please bring a medical excuse to the front office the following day.

Tardy to Class: Students have three minutes to transition to their class. Students should not loiter, take unnecessary routes, or walk other students to class. Students who are tardy will receive lunch detention and/or ISS. Students who are chronically tardy to class will be subject to a disciplinary referral and/or placed in ISS. Tardy round-ups will result in immediate placement in ISS.

Hall Passes: Any student who leaves the classroom during instructional time must have an approved hall pass from their teacher. **Students who do not have a hall pass will be subject to disciplinary action for skipping class.** For safety and security purposes, restroom passes are generally not permitted during the first and last 10 minutes of every period except for emergency situations. ISD Police Department. Pursuant to BISD Bullying Policy, the example below provides clarification for such act:

The Brownsville Independent School District prohibits the bullying of a student. It also prohibits retaliation against any person, including a victim, a witness, or another person, who, in good faith, provides information concerning an incident of bullying.

It is considered bullying if the conduct:

A **single significant act** or a **pattern of acts** by one or more students directed at another student that exploits an imbalance of power and involves, engaging in written or verbal expression, expression through electronic means, or physical conduct that satisfies the following applicability requirements:

- Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
- Is sufficiently severe, persistent, or [and] pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
- Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
- Infringes on the rights of the victim at school; and includes cyberbullying.

Mutual Combat: There is a **zero tolerance for fighting** (including horseplay). Students who engage in physical contact will be subject to intense disciplinary consequences that may result in long-term removal to the District's Alternative Placement—BAC. Students will also be subject to charges for disorderly conduct by the Brownsville ISD Police Department. Students who are being prompted by others to engage in mutual combat must walk away and report it to school personnel.

Referrals: Students are held accountable for their actions and must always follow the policies and procedures for Lucio Middle School. Students who receive three disciplinary referrals will be warned about the long-term removal to the District's Alternative School---BAC. On the fifth referral, the student will be summoned for a disciplinary removal hearing to BAC; some infractions may automatically warrant a BAC hearing/placement.
